Hardback. Book Condition: New. Not Signed; You're So Mummy is an honest take on 21st-century motherhood that sticks two finger-puppets up at parenting manuals. This isn't a book mothers can turn to for advice. It's not going to tell you how to make your kid sleep, or how to get them into a good school, or anything useful at all in fact. Instead it's a hilarious look at what's happening inside the minds of once-normal women who now find themselves in charge of small people. Lifelong best friends Sarah Thompson and Alex Manson-Smith agree that motherhood is the best thing that's happened to either of them, but wanted to read a book that acknowledged what a royal pain in the arse it can be. So that's what they've written. From not having sex to losing it over food, You're So Mummy covers the real issues confronting today's mothers. For mums who have been around the park too many times, You're So Mummy will make you howl in grateful recognition. book.
