Hachette Children's Group. Paperback. Book Condition: new. BRAND NEW, The World is Full of Babies: A Book About Human and Animal Babies, Mick Manning, Brita Granstrom, The World is Full of Babies! is an enchanting look at babies everywhere, and how they grow and develop. Polar bear cubs, baby bats, piglets, even tiny turtles are all here and we learn that like human babies they make a lot of noise, get hungry and they love to play games. But, as they grow, we find out that while all babies are very alike they are also surprisingly different. The Wonderwise series presents facts in a way that will inspire young children's imaginations about the world around them.
