## IN SEARCH OF THE GREAT WHITE GOD: FROM BIG BANG TO COBA AND BEYOND

Outskirts Press. Hardcover. Book Condition: New. Hardcover. 306 pages. Dimensions: 9.5in. x 6.4in. x 1.0in. I was born a Mormon. I don't know why I was. I just was. All that I remember is hearing someone say: Hey, it's a boy. He's a Mormon. Quick, circumcise him. From that moment on I was marked mentally, physically and genetically as a Mormon. The Mormon church says that because I was born a Mormon I had been a valiant soul in a pre-existing life, that I am a member of God's elect here on earth and that I had a front row seat at Big Bang. But with my birth as a Mormon came a heavy responsibility, which was to find the truth of all things, especially the truth about the teachings of the Mormon church. I, thus, began at birth a life long search that would bring me ultimately to an understanding of my place in the universe. At the heart of it all was the need to know the truth about the existence of a Great White God who Mormons believe to be none other than Jesus Christ himself. That would always bring me back to that most sacred of all Mormon scriptures, The Book of Mormon. And, it would also bring me back to the most revered of all persons in Mormonism, the prophet Joseph Smith. He was responsible for bringing The Book of Mormon to light. That event was critical in Mormon history because for the first time there was hard, physical, hands-on evidence that a new kid was in town, and he'd come-a-packin'. It was important that I get this right. My skepticisms about Mormonism meant that I would never make it in the next life to the highest, or Celestial, kingdom where God resides. I could only...
