DECEMBER, 1905. A CONTRIBUTION TO THE STUDY OF URTICARIA PIGMENTOSA. By E. GRAHAM LITTLE, B. A. , M. D. , M. R. C. P. , Physician for Diseases of the Skin at St. Marys Hospital, and at the East London Hospital for Children, Shadwell. Continued from page 411.) Rarity and distribution of the disease. --1 have compiled a table of all the cases of which I have been able to find a record vide. appendix); I owe much of the completeness of this table to the excellent bibliography published by Blumer in his paper on the subject (Monatshcft, 1902, vol. i), where he has compiled a list of 83 cases. I have added from the literature which has appeared on this subject since that date other cases, which with Blumers 88 above mentioned make now a total of 154....
