David R Godine Publishers Inc, U.S. Paperback. Book Condition: new. BRAND NEW, Men of Letters and People of Substance, Roberto De Vicq de Cumptich, We often hear about writers 'painting portraits with their words', but now graphic designer Roberto de Vicq de Cumptich has managed to circumnavigate the lengthy writing process almost entirely."Men of Letters & People of Substance" is a visual feast in which de Cumptich creates stunning portraits of literary heroes using only the letters of their name and a typeface that represents their style of writing. In the second part, he uses graphic icons to suggest a face with a singular attribute or emotion - pride, fear, fanaticism and surprise. Wholly original, and unrivalled in its invention, these ingenious portraits "make the alphabet sing."
