

The Ethics of Private Practice: A Practical Guide for Mental Health Clinicians

By Jeffrey E. Barnett, Jeffrey Zimmerman, Steven Walfish

Oxford University Press Inc. Paperback. Book Condition: new. BRAND NEW, The Ethics of Private Practice: A Practical Guide for Mental Health Clinicians, Jeffrey E. Barnett, Jeffrey Zimmerman, Steven Walfish, Mental health professionals in private practice strive for clinical and financial success. Yet, there are myriad ethical issues and dilemmas awaiting every practitioner that serve as challenges to being successful for even the most clinically competent and savvy business persons. Some ethics issues are obvious while others are more subtle and can undermine the best intentions of practitioners who have not prepared for these challenges. Graduate training programs in the mental health professions offer courses in ethics for their students, but few offer practical training in the application of ethics to the business of practice. A resource focusing specifically on these challenges has been sorely needed. The Ethics of Private Practice helps mental health professionals understand the essential ethical issues related to many of the challenges of being in independent mental health practice. Seasoned clinicians Barnett, Zimmerman, and Walfish offer readers astute insight to help them build a practice that is designed to minimize unintended ethical violations and reduce associated risks. Each chapter focuses on a major aspect of the business...

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. Its been printed in an exceptionally simple way in fact it is merely right after i finished reading through this pdf by which basically changed me, modify the way i think.
