

## Primitive Passion

Filesize: 2.89 MB

### ***Reviews***

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

PRIMITIVE PASSION Sylvia Radcliff likes her men fast talking, fast moving and gone by the second date. At least, she thought she did until she meets the brooding and sexy Heath Williams while on vacation in Mexico. Heath is the polar opposite of every man Sylvia has ever dated. . . only they aren't exactly dating. . . Heath unwittingly came to Sylvia's rescue when her cabbie turned into a thief, stealing her money and leaving her stranded in the midst of the Mexican jungle. Due to a chronic phobia, Heath, who calls the jungle his home, has avoided the bulk of humanity for nearly a decade. But something about Sylvia is too tempting to ignore. He not only wants the beautiful stranger, he needs her for the sake of his sanity. Sylvia, a city-girl through and through, is desperate to get back to civilization. So desperate she finds herself striking a devil's bargain with the enigmatic Heath. She agrees to spend three days complying with his every carnal demand in exchange for his leading her to the nearest town at the end of that time. What Sylvia doesn't plan on is the thrill that comes from giving into Heath, or that at the end of those three days, she won't want to leave the isolated stranger, who suddenly doesn't seem like a stranger at all, but like a man who has taken up permanent residence in her heart. The sex set off the story nicely; raunchy when it was called for, and sensual when that was more in tune with the story. . . Primitive Passion was excellent and realistic. . . It's worthy of five stars....
