Brand New Book ***** Print on Demand *****.From the North a dark power festers in the heart of the forest. Creatures come from within; beings that bear death. They never leave their victims alive, they've never been seen in daylight, and most people don't believe they exist. until it's too late. Kimberly Ranger is daughter to the wealthy governor of a small, dry western town. Her life is utterly changed one fateful night when her father tries to steal his entire family away to the big city in the north. Disaster befalls them as they ride through the shadow cloaked forest paths and all are thought to be dead. Several years later a young stranger appears in the town's dusty saloon, asking questions about that night. As time ticks on and people begin to give the stranger answers, they begin to vanish; respected members of the town disappear without a trace, animals are slaughtered in herds, and a tale as old as time is brought to light. One person links them all together. One legend, two protectors. This is their story; one of danger, peril, and hope. The greatest adventures are not always the ones that are passed down in fables, sometimes the ones that really mean something are the ones that never get told.
