iUniverse, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.At a midget football banquet, five fathers attend to honor their sons and end up poisoned. Four survive, while one ends up dead. The Lonely Detective is one of the survivors, and suddenly, he's got a new, dastardly case on his hands. Who would try to poison a man at an event intended to honor his own son? The Lonely Detective first interviews the wives, his own included, to see if any of the women had opportunity or motive. He has to face the facts: everyone is a suspect. Along the trail, there are emotional social workers concerned with the children's mental health. There are also cautious, politically correct detectives who do nothing but get in the way. In the wives, there is no shortage of suspicion, as the Lonely Detective discovers poverty, jealousy, and vengeance. Oh, and there's the bit about a mistress. Next up are the literary agents, out for a book deal, and TV personalities, too. The dead man's memorial is replete with media and cheerleaders. Honestly, the Lonely Detective can't get a break . until his case breaks itself apart.
