Ibidem. Buch. Book Condition: Neu. 210x148x17 mm. Neuware - The twelve contributors to this book amply demonstrate the richness, vitality and complexity of the colonial transactions between Britain and India over the last two centuries, and they do so by approaching the topic from a specific perspective: by interpreting the rubric 'new readings' as broadly, creatively and productively as possible. They cover a wide range of literary responses and genres: eighteenth-century drama, the gothic novel, verse, autobiography, history, religious writing, journalism, women's memoirs, travel writing, popular fiction, and the modernist novel. Brought together in one volume, these essays offer a small, but representative sample of the multifaceted literary and cultural traffic between Britain and India in the colonial period. In the richness and diversity of the various contributors' strategies and interpretations, these new readings urge us to return once again to texts that we think we know, as well as to explore those that we do not, with a freshly renewed sense of their complexity, immediacy, and relevance. 334 pp. Englisch.
