

The Technics of the Hand Camera (Classic Reprint)

By Walter Bulkeley Coventry

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Technics of the Hand Camera No effort has been made to produce a complete treatise on hand camera photography, the design has been rather to supplement the instructions contained in some of the more elementary hand-books of the subject, and to convey in a concise form a sufficiently exact notion of certain principles that are usually dealt with only in separate treatises. It is perhaps the placing together of these somewhat heterogeneous materials within a small compass that gives to the book a forbidding appearance; but on a closer inspection it will be found to contain nothing very formidable. The aim of the book is to induce, and possibly help the photographer to use his camera in a systematic and efficient manner; or to put it in popular language, to work his instrument for all it is worth. I take this opportunity of expressing my thanks to Mr. Leaute (the Editor of the Encyclopedie Scientifique des Aide Memoire,) and to Mr. Boursault the author, for permission to make use of some of the...
