Between the known and the unknown. The persistent rain finding its crafty way into my clothes ignores completely my scrunched up attempts to keep it out and makes tiny rivers of its own that sneak their way down the back of my neck. It could annoy me but I tolerate it. The earthy smell of bread compressed into a tight ball, watered down into a sticky paste and wrapped in a segment of old bed sheet. The dangerously sharp lipped tin can filled with moist grass sods ripped from the garden earlier that morning and wriggling with a life of its own with burrowing earthworms. The bait. This then is me the hunter, with the thrill of the hunt in my blood. And then more. I look at my line and envy what it knew I did not. The unknown. From the float down it disappeared into a world I could never. And then I could. All of a sudden I could. Hold your breath and I promise to take you with me. Enter the world of the river.meet the fish - Delair the roach, wonderful Thump the ever-eating Chub - learn of their lives, their fight to save the rite The Calling of the Scales learn how the spirit of the Eel Esmelda helps the fish and the tiny Dace Tenfra in their fight against the evil pike Shank.
