Northcote House, Tavistock, 1989. Paperback. Book Condition: New. 2nd Edition. 128pp Resources in Education Series.[In stock in Australia now, for immediate delivery] Ideas throughout both primary and secondary education have undergone much development in recent years, with important implications for resource planning in schools. Written by a respected educational librarian, this book provides a stimulating appraisal of the role of school libraries in a changing world - a world in which new ideas, new technology and new initiatives (and financial cutbacks) have combined to present a special challenge for everyone with a professional interest in the school library as a resource centre.
