An unprecedented series of messages covering every phase of the life of Jesus Christ - from before birth into the great Essene community, His training with Mary and Joseph and the School of the Prophets, His Sermon on the Mount and the Beatitudes, to His transfiguration - interpreting many of His teachings in a deeper way than ever before in this book and its companion volume. Excerpt: There is a crispness in the air, and yet the warmth from the sun seems to penetrate and remove this. There is the clarity and the sparkle of the water as these gently pass by John, who is standing not quite midstream, peering a bit into the distance, in a sense of expectation, wonder, and love. -Lama Sing This item ships from multiple locations.
