*This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).*

Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, On Being a Leader for God, Warren W. Wiersbe, Books on leadership in various aspects of life and work abound. But are the principles upon which these books are grounded biblical? On Being a Leader for God covers numerous topics that are relevant to Christian leadership in this and every era, including obedience, faithfulness, character, maturity, ability, God's authority, seizing opportunities, biblical images of successful leadership, listening, the difference between a boss and a leader, change management, organizational leadership, and vision. Pastors, deacons, church leaders, and laypeople will find this book both engaging and transformative.
