## SPIRAL OUT

Paperback. Book Condition: New. No one loves anyone else just for who they are. In the end we simply choose to acquaint ourselves with people who make us feel better in some way, someone who fills a void within us. We are all trapped within the shell of ourselves. That's how it is, and I don't care if anyone else disagrees with me because that simply indicates that they are wrong and I am right. It's all about voids. Voids in the universe. Voids within ourselves. Mark Karzoso has spent his life distancing himself from humanity. Drugs, booze, cynicism and venom guide his world view. He's become unashamedly selfish, misogynistic and hostile. But can anyone's ego survive the wrong woman and a savage killing? u.v. ray's caustic novella Spiral Out explores the depths of humanity against a 1980s' British backdrop of crime, drugs and women. It will appeal to fans of Charles Bukowski, William Burroughs, Hubert Selby Jr. and Eddie Little. book.
