The Chain Mail Diaries

By Shasta Scott

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.What if you were given the opportunity to have 100 vocal freedom. An opportunity to say whatever it is that you've always wanted to say, but probably never could, or probably never WOULD, because your friends, family, associates and even your enemies would think differently of you should they know the inner workings of your true mind . We try to maintain our facades as best we can in life, why would we share our secrets and let strangers see the real us ? But, what if somehow you could? What if someone gave you a blank canvas to say anything; everything; that you've been bottling up for your entire life? What would you say to the world, about the world, if no one knew the anonymous voice speaking belonged to you? On a whim, I purchased a journal and began an experiment filled with uncertainty and personal conflict and began The Chain Mail Diaries. Little did I know, the \$8.00 investment I made into a blank book would lead me on the most unexpectedly grand...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
