Making a GameSalad for Teens

By Michael Duggan

Cengage Learning, Inc. Paperback. Book Condition: new. BRAND NEW, Making a GameSalad for Teens, Michael Duggan, GameSalad is the fastest, easiest way to get started building games for Macs, PCs, iOS smart devices, and the Web. If you're a gamer who's ready to start building your own games, Making A Gamesalad For Teens is the book for you. In simple, step-by-step lessons, author Michael Duggan will show you how to build fun, engaging games from the ground up with GameSalad and share them with your friends via social networking. GameSalad, a free, web-based program, is easy enough for complete beginners to understand and use, but the skills it helps you build can provide a foundation for more advanced game-creation skills. No coding or programming skills are required. Pick up Making A Gamesalad For Teens and get started creating your own games today.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Keanu Johns**

This is the finest book i have read until now. It is filled with wisdom and knowledge You can expect to like just how the author compose this ebook.

-- **Tobin Lesch**
