Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

SERIOUSLY.

Andrews McMeel Publishing, United States, 2008. Paperback. Book Condition: New. 224 x 213 mm. Language: English . Brand New Book. I've always felt that adolescence is a very funny time-except when you're in it. My aim is to touch readers' hearts as well as their funny bones. -Greg Evans, creator of Luann Platter, created by Greg Evans, is a coming-of-age comic strip that chronicles the joyful discoveries and torturous experiences of adolescence. Praised for its amusing and insightful portrayals of teen issues, Luann artfully explores topics ranging from peer pressure, drugs, and alcohol, to popularity, academic achievement, and character-building mistakes. Combining down-to-earth reality, everyday humor, and keen insight, Evans produces a comic strip that is funny, informative, and relatable to both teens and their parents. At fans can read archived strips, learn cartooning tips, and download songs from a new musical written by Evans, Luann-Scenes in a Teen's Life. In addition, Luann is the star of a Journeyworks Publishing series of health and fitness brochures distributed to clinics, schools, and hospitals worldwide.
