As anyone knows who has ever attempted Virginia research, the challenge is to reduce this body of records to manageable proportions, a feat skillfully handled here by Virginia expert Carol McGinnis, author of the highly respected book *Virginia Genealogy: Sources & Resources*. Published in the now familiar laminated folder, this guide is designed to cover the basic elements of Virginia research in just four pages, giving you as much useful information in the space allotted as you'll ever need. Then, after an illuminating passage on census records, she gives us an overview of supplementary sources: Bible...
