Delacorte Press Books for Young Readers, United States, 2010. Paperback. Book Condition: New. Reprint. 201 x 132 mm. Language: English . Brand New Book. From E. Lockhart, author of the highly acclaimed, New York Times bestseller *We Were Liars*, which John Green called utterly unforgettable, comes *The Treasure Map of Boys*, the third book in the uproarious and heartwarming Ruby Oliver novels. Ruby is back at Tate Prep, and it's her thirty-seventh week in the state of Noboyfriend. Her panic attacks are bad, her love life is even worse, and what's more: Noel is writing her notes, Jackson is giving her frogs, Gideon is helping her cook, and Finn is making her brownies. Rumors are flying, and Ruby's already-sucky reputation is heading downhill. Not only that, she's also: running a bake sale, learning the secrets of heavymetal therapy, encountering some seriously smelly feet, defending the rights of pygmy goats, and bodyguarding Noel from unwanted advances. In this companion novel to *The Boyfriend List* and *The Boy Book*, Ruby struggles to secure some sort of mental health, to understand what constitutes a real friendship, and to find true love if such a thing exists. From the Hardcover edition.
