Ainsley Allen Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Many Paths To SuccessSuccess can be defined in any number of ways. Some people measure success in terms of how much money or how many things they can accumulate over a lifetime. Others have a less materialistic interpretation of the word and equate the completion of any task or meeting of any goal to mean success. Still others believe success is simply being able to achieve happiness in their life. In our journey through life we all encounter difficult situations that can become obstacles to success. Overcoming obstacles is a key to success.Successful people rarely do it alone. To paraphrase an old, but still relevant truth, behind every successful man or woman is another individual or group of individuals. It may be your spouse, business partner, doctor, or good friend who is there when you need them the most. A motivational speaker can make you think in an entirely different way that will steer you in the right direction to achieve your dreams. Whether you are trying to build stronger relationships or improve your health, there is someone who will help you achieve your goal. To be sure, if you want to succeed in business, having people you can trust and count on to be on your side will help guide you forward. History teaches us that the most successful people do not do it alone.It is one thing to make it to the top and an entirely different thing to stay there. Success can be fleeting but it can also be something that will stay with you throughout your life. In a team sport like football, the quarterback may get all the glory for winning...
