Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Opening Buds In presenting this little volume to the public, it may not be amiss to state that many of the pieces of which it is composed, were written amid the pressure of business, as a relaxation to the author s mind - some of which have found their way into the pages of the magazines and newspapers of the day. If, therefore, this volume may in the smallest degree prove useful to any who shall give it a reading, he will think himself amply compensated for his labor, and will not be moved by the censure of the critic. - There may be faults in these compositions, which a little more care and attention would have tended to obviate. But with all their imperfections, they are presented to a candid public, who will, it is presumed, treat them as their merits may deserve. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
