Business with Soul: Creating a Workplace Rich in Faith and Values

By Michael Cardone

Thomas Nelson Publishers. Paperback / softback. Book Condition: new. BRAND NEW, Business with Soul: Creating a Workplace Rich in Faith and Values, Michael Cardone, Faith. Prayer. Generosity. Servant leadership . . . While such words rarely make the cut in today's business acumen, CARDONE Industries has put them into action for nearly four decades to build one of the nation's most successful manufacturing firms. With more than 5,000 employees worldwide, Michael Cardone Jr., president of CARDONE Industries, argues that no matter the economic climate, leaders can establish sound principles that will strengthen any company's bottom line. Cardone writes, "Deep within, I know I am a 'businessman with a soul,' and as a natural extension of myself, I want to create a 'business with soul.'" And what he started with his father 40 years ago is more profitable, better focused, and stronger than ever. In "Business with Soul," Cardone introduces the Triple Bottom Line-among other principles-as he challenges leaders to measure their company's success by its financial, social, and spiritual prosperity.
